Good morning David,  
Thanks for advice. I will keep that in mind on the next update..  
Have a great day!

Good morning Olivia – thanks for the weekly. It's very valuable for you to read the final report from the past week (included in my Friday MIT update) so that I am not rewriting the same paragraphs from week to week. A good example in this submission is the ITC write-up which has reverted to the original write-up instead of my changed version. Thanks for your help.  
David
